EMPOWERING GROWTH

LEARNING & DEVELOPMENT RESOURCES

1

Geriatric Essentials eLearning

Interactive Geriatric Learning Modules

These open-access interactive geriatric learning modules are based on the Geriatriics interprofessional interorganizational Collaboration (GiiC) toolkit developed by Provincial Geriatrics Leadership Ontario (PGLO) (formerly the RGPs of Ontario). Users take on a senior character and follow their journey through the health system.

2

Ontario Caregiver Organization

The Essential Care Partner Support Hub

The Essential Care Partner Support Hub exists to guide and support healthcare organizations as they adopt caregiver-inclusive practices, providing free resources, opportunities to connect, learn, and exchange knowledge with system leaders, providers, caregivers, and peers, hands-on, 1:1 support and on-going coaching to your organization.

3

Canadian Remote Access for Dementia Learning Experiences (CRADLE+)

CRADLE+ shares stories of seniors living with dementia and the care providers who support them. Using interactive features and engaging media, this free, online course teaches Canadian unregulated care providers (e.g., personal support workers and continuing care assistants) evidence-informed approaches to real-life care scenarios.
