Section: Community Disaster Code Orange	Policy Name: Code Orange- Community Disaster- Management Of Evacuees
Document Owner:	Page: 1 of 4
Effective Date: August 1, 2018	Revised: June 2, 2022

PURPOSE

In the event of a community emergency where a Long Term Care Home requires resident to be evacuated, Finlandia Village will assist in the temporary housing of residents. This procedure will establish a plan for the effective and efficient reception, assessment and treatment of a large number of casualties over a short period of time. In the event of a major external disaster Finlandia Village may be asked to assist in a planned response.

POLICY STATEMENT

To have specific guidelines in place to ensure proper management and treatment of potential casualties/residents to Finlandia Village. It is difficult to predict how events might unfold during an actual disaster; therefore, the staff will need to be very flexible and prepared to respond to changing needs as they arise.

PROCEDURE

1. The 1st person to receive the disaster alert will request important planning information and complete Disaster Information Checklist. Preferable the Charge RN.
2. Once employee informed that there may be a potential need to take in evacuees the staff member will contact the Charge RN who in turn will contact the Senior Manager On Call and inform them of the information gathered on the Disaster Information Checklist.
3. Charge RN will notify the MOHLTC immediately to inform of situation.
4. Charge RN will act as Command until the arrival of the Senior Manager On Call

Duties of Command

- Declare Code Orange- identify staff members to notify staff in all buildings and to report to staff pooling areas through the Village.
- Obtain walkie talkies and hand out to staff as duties assigned.
- Initiate Command Centre (Family room in Reception or HK Board Room)
- Coordinate and Delegate duties to staff. Complete Delegation of Duties Form
- Contact Leadership Team to return to work and respond to overall
